

Wyoming Dental Association Public Service Activity

Date: _____

Type: _____

Target Audience: _____

Size of Audience: _____

Scope of Program: _____

Initiated by: _____

Presented by: _____

Financial Impact: _____

A primary goal of the WDA is the promotion of public health. It is important and will become more important to track these activities for public, government, and political purposes. Members, please record activities on these forms and return to the WDA office. The data will be kept in total, analyzed and summated on a yearly basis. This data will be available to members, the press, interested government and political groups on a yearly basis. The original records will be kept for 5 years and the summaries for 10 years.
